

Caribbean Fishery

This App is provided to you by the Caribbean Fishery Management Council for saltwater commercial and recreational fishers. The App provides information on state regulations for Puerto Rico and the U.S. Virgin Islands, as well as Federal regulations for the Exclusive Economic Zone (EEZ). Available in English and Spanish, most features do not require internet access once downloaded.

Features:

- Commercial and recreational fishing regulations for Puerto Rico, U.S. Virgin Islands and the EEZ
- Commercial and recreational fishers guide to license and permit application.
- Marine species identification and regulation guide
- Fish measurement guide
- Calendar of seasonal closures
- Important contact information
