

Island-based Fishery Management Plans (IBFMPs) Progress to Date

Notice of Availability of FMPs – OPEN FOR COMMENT UNTIL AUG 25, 2020

<https://www.regulations.gov/document?D=NOAA-NMFS-2019-0155-0001>

- Decision Day on IBFMPs – Sep 24, 2020
- Development of Proposed Rule and associated documents
 - **Another opportunity for comment coming up:**
Proposed Rule publication – 30 day comment period.
- Publication of final rule - 30 days later, FMPs implemented
- Goal is to have the plans applicable in the 2021 fishing season
- CFMC continue to discuss actions for potential amendments to each of the IBFMPs, as desired/needed.
