

EBFM TAP Meeting
February4, 2021

Outreach and Education efforts for Ecosystem Based

1. Series of short videos for CFMC social media on Essential Fish Habitats and Habitat Areas of Particular Concern.
2. Book on marine Fishery Ecosystem of Puerto Rico and the US Virgin Islands.
3. Fact Sheets and Calendar on EFH
4. Recipe Book for general public on the use of underutilized fish species, that includes information on the Marine Ecosystem and the importance of its sustainability.
5. Identify 26 Municipalities with Fishing Villages/Fish Markets. Will contact local governments to identify personnel related to these villages for FEP Stakeholder approach.
6. Identify the State and Federal agencies that in one way or another are related to the marine fishery ecosystem.
