

The background features a gradient from green at the top to blue at the bottom. Overlaid on this are several faint, white circular patterns and a scale. The scale is a large arc on the left side, with numbers ranging from 140 to 260 in increments of 10. There are also smaller circular elements with arrows indicating direction, some solid and some dashed.

Looking forward to:

- *Fisher involvement in upcoming/ongoing studies
- *IBFMP Workshop
- *Communications with DPNR and DFW to assure fisher concerns are actively engaged.

Thank You.
