

REPORT TO THE FISHERIES COUNCIL

Statistical report of the activities carried out by the Puerto Rico Ranger Corps during the period from April 1, 2023, to June 31, 2023.

The DNER Ranger Corps continues to provide security, protection, and surveillance of the Natural Resources of Puerto Rico in the coastal zone and in the open sea.

Maritime and land preventive patrols are carried out in areas of clandestine dumps, sand extraction and damaged coastal mangroves in coastal areas of the Island.

We guide the public and inspect recreational and commercial vessels that land on our shores. Recreational fishing tournaments that comply with nautical safety regulations are visited, assistance and cooperation is also provided to other state and federal agencies with the arrest of illegals on the coast.

Below you will find a description of the cases reported in the statistical report.
