

The background of the slide is a deep blue underwater scene. Numerous small, dark fish are swimming in the upper half of the frame, creating a sense of a large school. Below them, a rocky, textured seabed is visible, with several larger fish swimming near the bottom. The overall lighting is dim, typical of deep water.

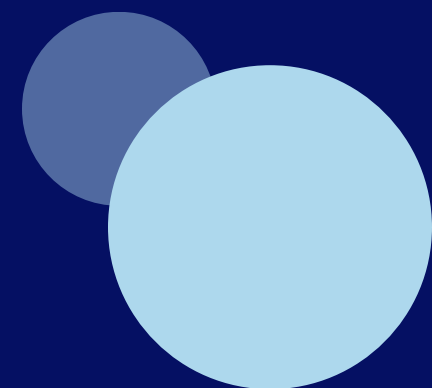

CONCERN OVER THE MARKETING OF JUVENILE DEEP-WATER SNAPPERS

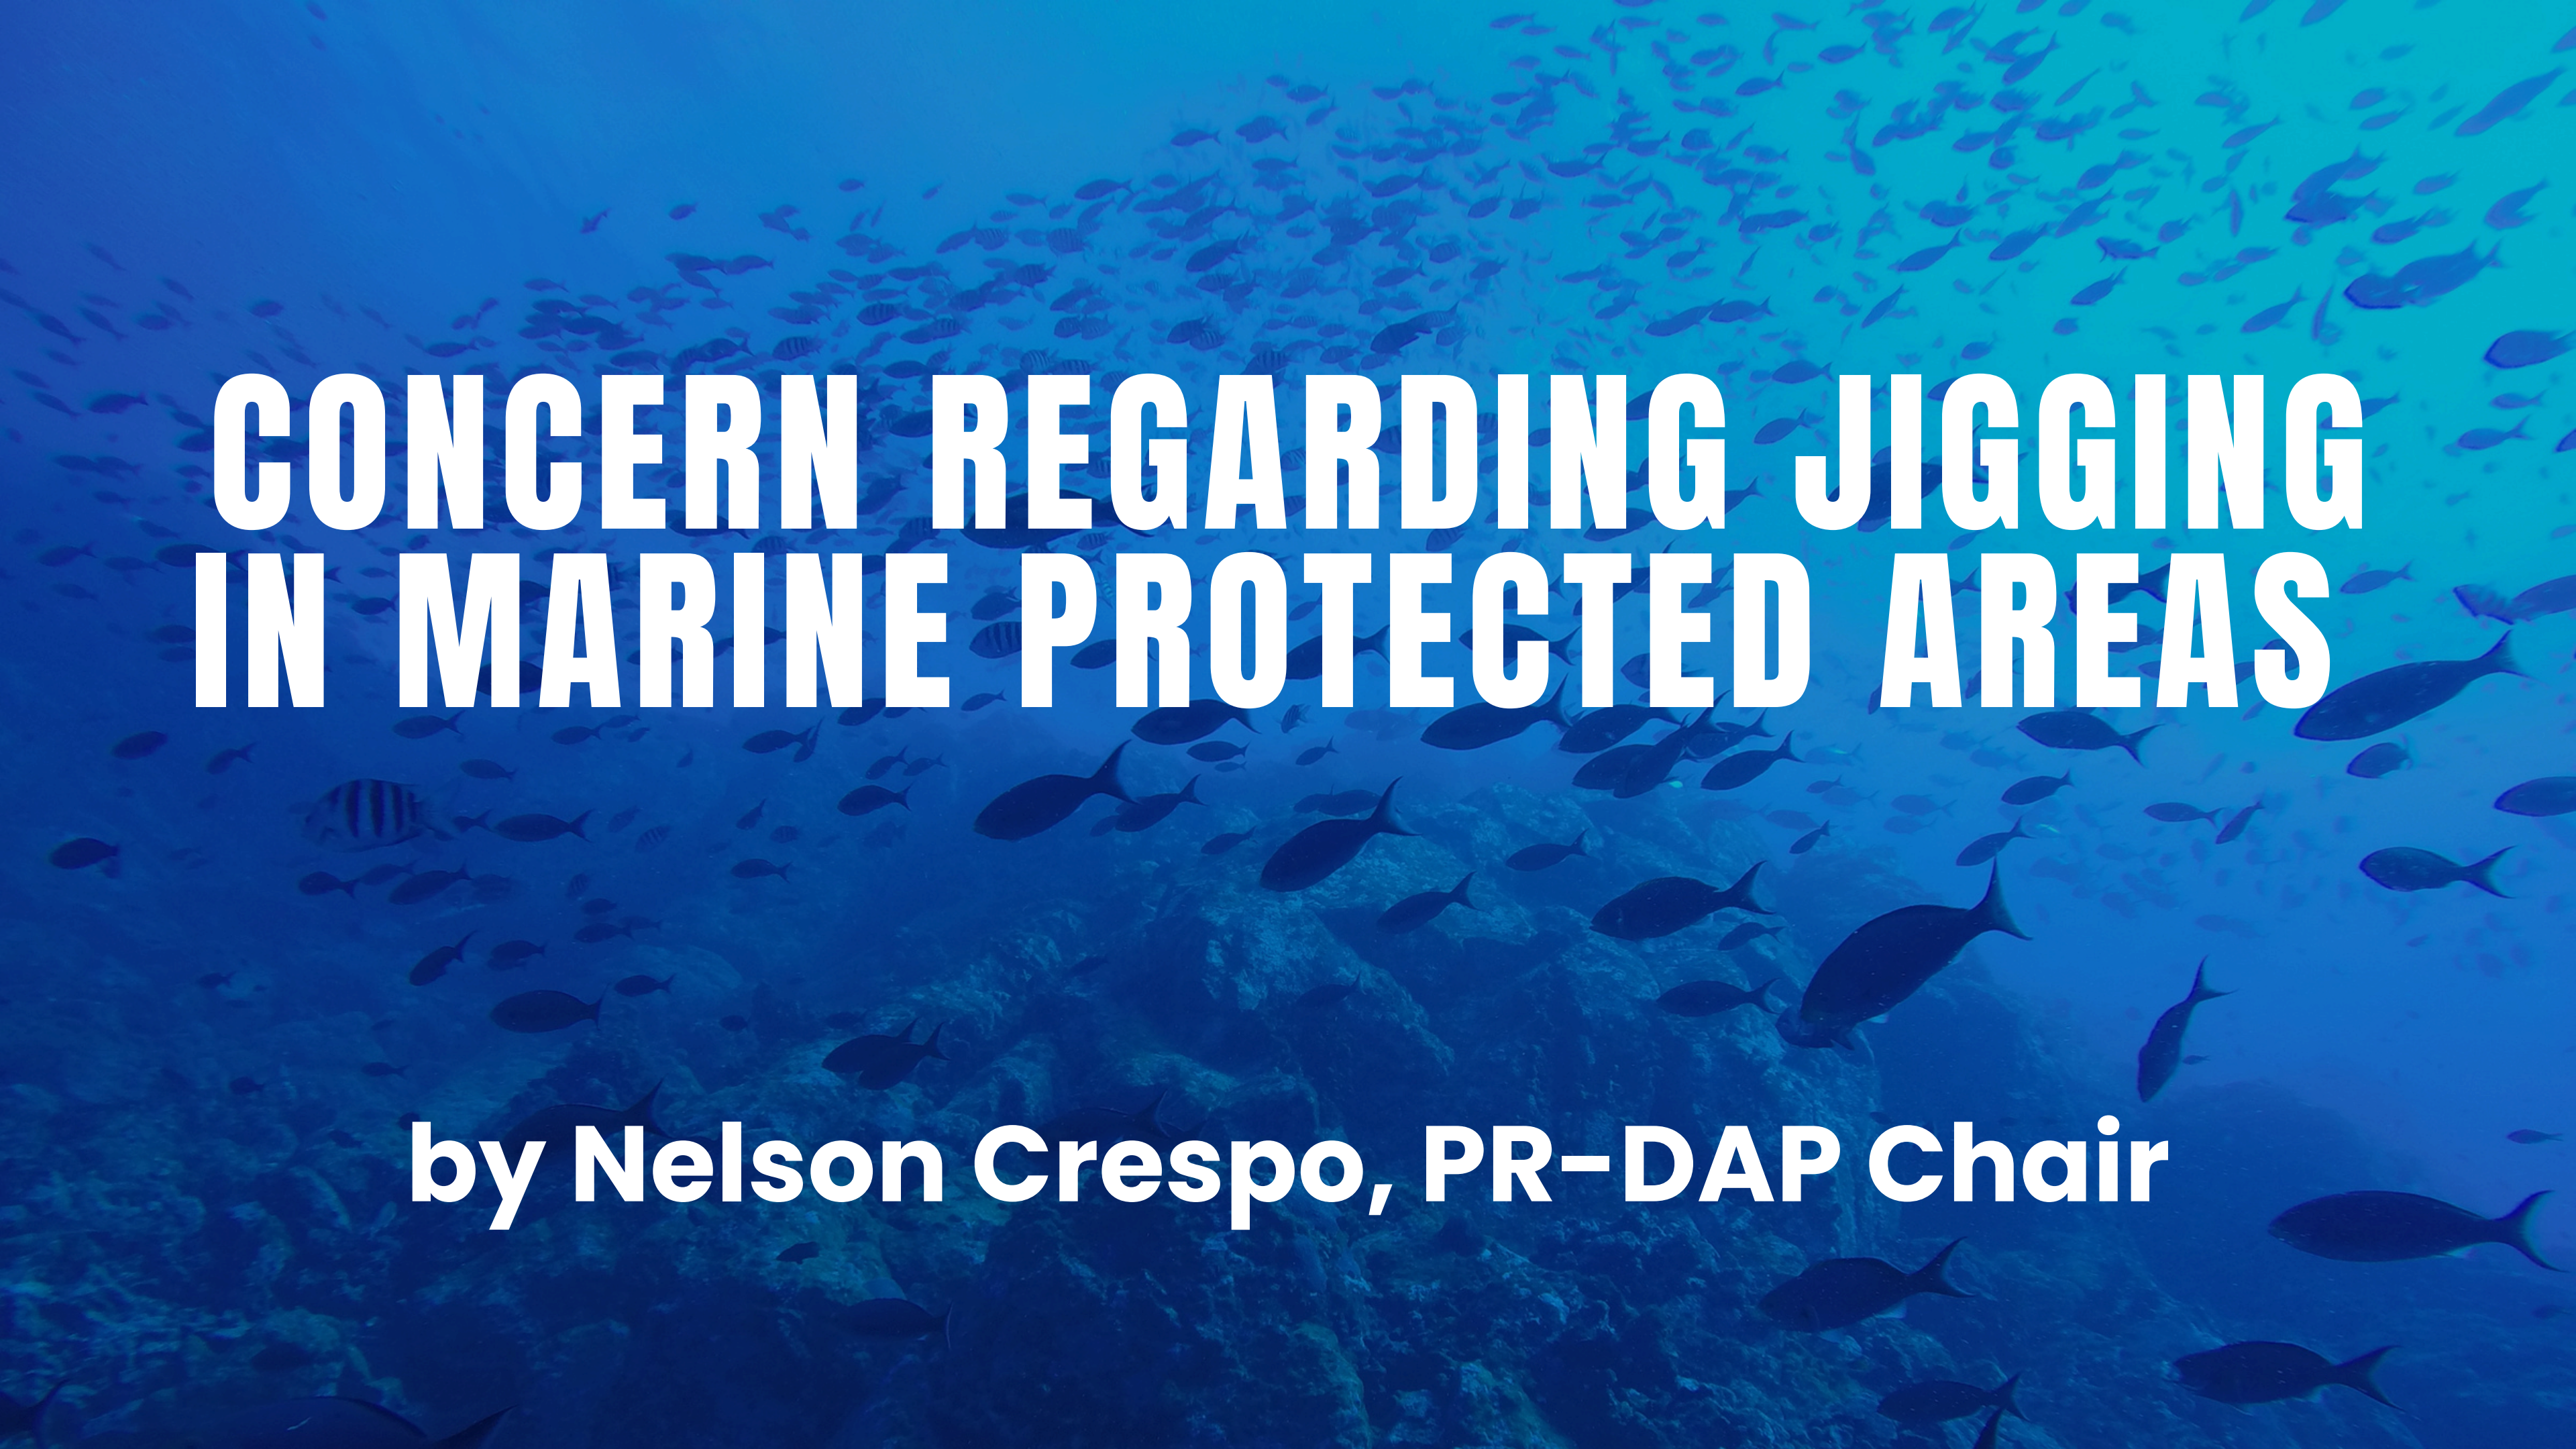

by Nelson Crespo, PR-DAP Chair

The background of the entire image is an underwater photograph. It shows a large number of small, dark-colored fish swimming in a clear blue water column. Below them, a rocky seabed is visible, with some larger fish swimming near the rocks. The overall lighting is bright, suggesting a sunny day at the surface.

CONCERN REGARDING JIGGING IN MARINE PROTECTED AREAS
